carriage house

## "Highly energy efficient R-Value of 12"

### Newport 138 Carriage House Insulated Steel Garage Doors

The Newport 138CH offers homeowners, as well as home builders, the timeless look of carriage house doors, one of the industry's highest insulation values, and the strength and practicality of pre-finished steel in a variety of colors. This is a premium, highly energy efficient door featuring a calculated insulation value of R-12.

- Sandwich-type construction with 1-3/8" polyurethane insulation, pressure bonded between two skins of 26 gauge (.017) G60 steel
- Steel is rust-proofed with hot-dipped galvanizing, pre-painted on both sides with a primer, and finished with a top coat of baked on polyester for an exterior paint thickness of 1.0 mil
- Three layer construction provides a calculated insulation value of R-12, along with exceptional strength and a substantial, solid feel during operation
- Finely detailed stamped carriage panels with a deep woodgrain texture
- Panel options include Short Recessed Grooved Panel or Long Recessed Grooved Panel
- Tongue and Groove section joint with bulb seal for tight closure
- Thermal break between steel skins for maximum energy efficiency
- 7 factory finish colors to choose from

**Bronze**

## Section joint detail

### Modified tongue and groove joint

Placed closer to the exterior of the door to limit air and water infiltration

Bulb seal-prevents air leaks

Continuous polyurethane insulated core of high density foam resulting in a R-Value of 12

Heavy duty internal steel backer plate at each hinge location

Thermal break-prevents heat transfer

**Standard features** of the Newport Carriage House Series includes our tough, anti-corrosion protection - inside and out. Hardware includes heavy-duty track with a unique elliptical curve that reduces the force necessary to roll the door along the track, making opening and closing easier and smoother. Full leaf, heavy gauge hinges, and nylon rollers with steel bearings offer superior strength and years of trouble-free operation.

**High-strength, rust-resistant, pre-painted galvanized steel sheets**

Available in a variety of colors to match the beauty of your home

**Galvanized steel endcaps**

Heavy duty for additional strength

**Deep woodgrain embossing**

The durability of steel without the maintenance hassle of wood

**Flexible 3" vinyl bottom seal**

With a rust-resistant aluminum retainer

**Newport 138CH** in Long Recessed Grooved Panel with 587 Wyndbridge LP inserts. Shown with stamped carriage hardware.

Lifetime limited warranty against rust-through and/or delamination of door face. Three year hardware warranty. See dealer for complete warranty information.
