"Highly energy efficient R-Value of 18"

Newport 200 Carriage House Insulated Steel Garage Doors

The Newport 200CH offers homeowners, as well as home builders, the timeless look of carriage house doors, one of the industry's highest insulation values, and the strength and practicality of pre-finished steel in a variety of colors. This is a premium, highly energy efficient door featuring a calculated insulation value of R-18.

- Sandwich-type construction with 2" polyurethane insulation, pressure bonded between two skins of 26 gauge (.017) G60 steel
- Steel is rust-proofed with hot-dipped galvanizing, pre-painted on both sides with a primer, and finished with a top coat of baked on polyester for an exterior paint thickness of 1.0 mil
- Three layer construction provides a calculated insulation value of R-18, along with exceptional strength and a substantial, solid feel during operation
- Finely detailed stamped carriage panels with a deep woodgrain texture
- Panel options include Short Recessed Grooved Panel, Long Recessed Grooved Panel, and Long Recessed Flat Panel
- Tongue and Groove section joint with bulb seal for tight closure
- Thermal break between steel skins for maximum energy efficiency
- 9 factory finish colors to choose from, including two wood look finishes

ENVISION

visit general-doors.com

Lifetime limited warranty against rust-through and/or delamination of door face. Three year hardware warranty. See dealer for complete warranty information.

Standard features of the Newport Carriage House Series includes our tough, anti-corrosion protection - inside and out. Hardware includes heavy-duty track with a unique elliptical curve that reduces the force necessary to roll the door along the track, making opening and closing easier and smoother. Full leaf, heavy gauge hinges, and nylon rollers with steel bearings offer superior strength and years of trouble-free operation.

High-strength, rust-resistant, pre-painted galvanized steel sheets

Available in a variety of colors to match the beauty of your home

Galvanized steel endcaps

Heavy duty for additional strength

Deep woodgrain embossing

The durability of steel without the maintenance hassle of wood

Flexible 3" vinyl bottom seal

With a rust-resistant aluminum retainer

Newport 200CH in Short Recessed Grooved Panel with 591 Cascade LP inserts. Shown with stamped carriage hardware.

Green Building Benefits

Energy savings from insulation value, local manufacturing, recycled content, and product longevity.
